AWMAC Ontario Chapter is pleased to offer members an opportunity to purchase a hygrometer (instrument used for measuring humidity). The inspectors are currently using this tool. As you know, the level of humidity plays a significant role in our industry and we strongly recommend that you monitor and document this information for your own records.

Members of AWMAC Ontario Chapter would pay **\$ 197.95** plus shipping and tax (includes a case with AWMAC logo). The cost for non-members is \$400.00 plus shipping and tax (includes a case with AWMAC logo). If you wish to place an order, kindly complete the form below and return it to the AWMAC Ontario Chapter offices.

Your continued support of AWMAC Ontario Chapter is greatly appreciated.

Please return the completed form and payment to:
